PT-T Ups Local 'Long Distance' Rate

ORINDA SUN

Formerly Boulevard News

VOL. VI, NO. 12 — LAFAYETTE — ORINDA CALIFORNIA — FRIDAY, MAY 7, 1948 — 5 cents

THE GIRLS' LEAGUE of Acalanes High School has just completed a shoe drive for the Church World Service as a general clothing, shoe and bedding collection campaign is conducted in Orinda, Lafayette and Walnut Creek. Here officers of the League sort out some of the shoes collected. Pictured, left to right, Carol Grant, Virginia Hanson, Margaret Drinkward, Barbara Goeppert and Carola Courtright. (See adjoining story and editorial on page 2.)

Phone Calls between Lafayette, Orinda Walnut Creek Increased to Ten Cents

Long distance telephone rates between Lafayette, Orinda, Moraga and Walnut Creek were increased to ten cents as of May 1, local residents were informed this week by toll operators.

Formerly five cents, a "long distance" call from Lafayette to Orinda, Moraga or Walnut Creek is now ten cents. The new rate also applies from Orinda, Moraga or Walnut Creek to each other.

The change does not apply to residents and business firms subscribing to extended service, according to Robert Horst, manager of the Martinez office.

ORINDA COIN PHONES

While the new rate is in effect in Orinda to local subscribers not having extended service, coin box telephones are all on extended service, Horst explained. Thus, phone calls may be placed in Orinda pay telephone stations to Lafayette, Moraga or Walnut Creek for five cents.

The increase has been made under the provisions of the recent ruling of the State Public Utilities Commission, which allowed rate changes in oly a few classification, but turned down a general raise as requested by the Pacific Telephone and Telegraph Company.

NO OTHER RAISES

Horst said that no other increases have been made, except those herein outlined.

Long distance to Oakland, Concord, Danville, and Martinez remains at ten cents. To San Francisco the rate is still 15 cents.

At press time, no public announcement of the rate raise has been made by P. T. & T.

Telephone subscribers began calling this newspaper Saturday, inquiring about the increases.

Take Few Minutes Off and Search For Old Clothes

Take a few minutes off Saturday or Sunday.

Take a look in the garage. Check through some of those boxes and old trunks.

In the house, peek into the attic — if you have one; or the basement or in the storage shelves or in storage drawers.

'THE OLD LOOK'

Knock off a few minutes and sort through all those dresses with the "old look", the outgrown shoes, sweaters, pants, etc. — particularly children's clothes.

Pile up those Army and Navy clothes that "someday" you might use. Toss in those shirts that you've been hanging onto, those frayed ones.

Yes, they are old clothes to you and not doing anyone any good stored away.

MILLION $ OUTFIT

But to a man, woman or child thousands of miles from here in the war-ravaged lands your "old clothes" will look like a brand new, million dollar outfit.

Throughout the nation, good, clean clothes, shoes and bedding are being collected and distributed by the Church World Service, an organization of church relief groups.

In Orinda, bundles may be left at rte Orinda Community Church or at the Firehouse. For further information call Mrs. Frank B. Hight, chairman of the drive.

IN LAFAYETTE

In Lafayette, clothing collection is being conducted along with the Children's Crusade. Volunteer workers will call at most homes to pick up clothing bundles and contributions of money. Or clothing bundles may be left at the former site of Totsville on Mt. Diablo Boulevard next to Olivers.

Robert Lippert has arranged for the use of the cement platform. A tent warehouse will be pitched at the site. But bundles may be tossed over the fence if attendants are not present, according to Rev. Obed Vold, chairman of the Lafayette drive.

At the conclusion of the drive, clothing will be taken to the organization's warehouse, 2534 Florida Avenue, Richmond. Ships are loaded at Richmond for foreign distribution.

Grammar School to Present Musical 'America Pageant'

The Orinda Grammar School will present a historical musicale entitled, "America A Pageant," on May 19, at 8 o'clock, in the school auditorium.

The theme and arrangements were originated and organized by the teachers. Mrs. Roselle Howell, Miss Francis Davison, Miss Francis Tighe, and the music will be conducted by Howard Kraus.

The cast will consist of approximately 200 children from the third grade up.

The text of the pageant is based on American history and progress from the time of Columbus to the advent of the Russian Atomic bomb. The music continuity will consist of early American music, such as "Old Susanna".

There will be a 75 cent admission charge with all proceeds going to the Student Body Fund in order for them to purchase a new piano for the school.

Garden Club Hears Mrs. Dahl Speak

The Orinda Garden Club members met yesterday at the Country Club to hear Mrs. Fred Dall of Piedmont speak on flower arrangements.

As part of the Club's long-range community improvement project, members recently planted in the dividing strip on El Toyonal Hill. Mrs. George Bennett, president; Mrs. Lindsey Spight, Mrs. Richard Laney and Mrs. Neal East handled the planting, according to plans drawn by William Penn Mott Jr.

The club plans a luncheon and garden tour on June 3.

Community Concert Drive Opens Monday

A campaign to secure 1,000 members for the proposed Community Concert Series in this area will begin Monday and continue through May 20, according to Oscar Busch music director of Acalanes High School.

The drive will be launched at a kick-off dinner Monday night at El Curtola Hotel in Walnut Creek, when workers will be given final instructions.

Memberships are offered at six dollars for adults and three dollars for students and proceeds will be used to bring three leading artists for separate concerts in the high school auditorium.

Subscriptions will be offered to residents of Orinda, Lafayette, Moraga, Walnut Creek and adjoining towns.

Leaders of the various worker groups contacting prospective purchasers of tickets report a very active interest. Many persons have already asked for reservations, and there is every indication that the proposed quota of 1000 will be quickly filled, according to Mr. Busch.

Heading the worker groups are Mrs. Phillip Simmons, Walnut Creek; Joe Campana of the Campana Music company, Lafayette; Forrest Honnold, Orinda; Mrs. Englehardt Burford, Danville; C. Ray Cortsen, Pleasant Hill and Mrs. Gertrude Hansen, Moraga.

The artists for the series, to be chosen by a general committee made up of representative residents, will be selected from the roster furnished by the Columbia Concert Bureau of New York City.

Park Pool Board Plans Meeting

The next meeting of the Board of the Orinda Park Pool will be held May 19. At this meeting there will be some startling plans presented for approval by the entertainment chairman, Mrs. William Courtwright.

One new feature of the coming year will be the women's exercise classes conducted by Lila Murphy. It was also announced that special emphasis will be placed on the life-guarding procedures.

The opening preparations are going along as planned, so far the pool bottom has been painted and the swimming meet lines painted in.

Realty Mart Sets Meeting for Tues.

The Contra Costa Realty Mart will hold its board meeting at Club Alsam Tuesday.

A question and answer program with Supervisor H. L. Cummings and Jack Pedder, who is opposing him for re-election, will be held, according to Bill Hayward.

FLY TO FRESNO

Mrs. Stanley Allen of 76 Orchard Road, joined by Mrs. Lloyd Gordon and Laura Sheldon, flew to Fresno on April 23 and drove back with Mr. Allen.

Planning Commiss. May Recommend Ordinance Change for Orinda Zoning

County Planning Technician Thomas Heaton yesterday stated that the County Planning Commission will probably recommend a new ordinance to correct certain objections raised by Orinda residents in the proposed zoning of the area.

Heaton stated also that the Commission has not yet analyzed the mass of material related to the zoning of Orinda. The question of zoning the newly subdivided and yet unsubdivided acreage into quarter or half acre parcels has not been investigated.

He said the Commission is snowed under with zoning and rezoning of other sections, but it has started working on the Orinda zoning.

Residents have objected to the zoning of grazing lands as "agriculture," because if in the future this land is subdivided, it could be cut into one-quarter acre parcels instead of half acres as the people in the area apparently desire, Heaton explained.

The Commission has talked this point over and agrees that if the adjoining landowners wish added protection they are entitled to it. The Planning Commission will probably initiate such a provision in a new ordinance. Such an ordinance will be presented to the Board of Supervisors.

Red Cross Sends Delegates to Disaster Meeting

Local Red Cross representatives heard Governor Warren discuss State disaster needs at the recent conference held in Sacramento.

Mrs. John Irving, Mrs. Harry Lawrence, Guy Spencer and John Jordon of the Walnut Creek chapter attended this statewide conference where the governor delivered the keynote address on Disaster Needs and Preparedness in California.

The purpose of the conference, Mrs. Irving, chapter president, said was to orient personnel on the division of responsibilities in time of emergency. It was the out-growth of recommendations made at the close of the 1947 National convention.

An overall picture of the facilities available to communities in the event of disaster with a clearer understanding of the obligations of Red Cross, state and federal agencies was presented at this conference, Mrs. Irving disclosed.

With disaster preparedness and relief a primary obligation of every Red Cross chapter and a continuing need for a strengthened disaster program, Mrs. Irving has announced the appointment of Paul Lawrence to head the local committee.

Nancy Macomber Wins First Prize In Essay Contest

The first prize of the Contra Costa County Development Association essay contest has been awarded to Miss Nancy Macomber of Orinda, for her essay entitled, "Contra Costa County." Along with her 100 dollar prize money Miss Macomber won the distinction of having her work selected first unanimously by the judges.

The second prize of 50 dollars was awarded to Miss Alice Lee of Richmond.

The third prize of 25 dollars was awarded to Miss Joan Parsons, daughter of Acalanes principal Neal Parsons, for her essay :"The Mountain Speaks."

Miss Nancy Schroll of Acalanes received honorable mention.

A dinner will be held in honor of the winners on May 13, at Pauls Restaurant in Martinez.

Orindans Inc. Set June 1 Meeting

Orindans Inc. cancelled the meeting that was scheduled for May 3, for reasons of sickness and business on the part of the majority of members.

The next meeting is scheduled for June 1, when the organization will discuss and try to bring about the resurfacing of Orchard Road. During the recent installation of water mains on the Moraga Highway, Orchard Road was used as the detour, and through excessive use has become rough and pitted so as to necessitate resurfacing.

Mrs. R. M. Layne Files for Divorce

Mrs. Richard M. Layne, of 20 Glorietta Blvd., filed suit for divorce Tuesday in the Contra Costa County Superior Court.

Mrs. Layne charges her husband with extreme cruelty and asks for a divorce on those grounds.

Mr. Layne is the operator of a chain of optical offices throughout Norhtern California.

In the divorce suit, Mrs. Layne asks that she be awarded custody of two minor children, Richard, 4 and Lawrence, 2; $500 per month support; an equitable division of the community property and $1000 attorney fees.

Community property is listed as follows: optical offices in Oakland, San Francisco, Richmond, Vallejo, Sacramento and Stockton, valued at between $50,000 and $75,000; war bonds, savings and commercial accounts of an undetermined value and an automobile valued at $1000.

Layne earns in excess of $1000 per month, Mrs. Layne asserts.

The Laynes were married in Carmel in 1943 and separated last March 17.

DRIVES SOUTH

Mrs. Richard P. Hafner motored to San Luis Obispo this week.

Fashion Show Models Chosen

Models have been chosen for the Orinda Nursery, Inc.'s annual spring party to be held at the estate of Mrs. Woodburn K. Lamb May 19.

The models are Mesdames John W. McFarland, Calvin Doughty, Thomas B. Rodgers III, Anthony R. Cianciarulo, John J. Reilly Jr., Jane Schweizer, Don P. White, C. F. Borden, Harry J. Sommer, Lawton Shurtleff, Catherine McGuire, G. W. Miller Jr., Robert Rochester and Harry B. Oliphant.

Children participating are Peter Lamb, Dickie Wiseman, Susan Lee Brown, Wendy Welch, Katherine Oliphant and Lorna Wallace.

Greyhound Commuters to S. F. Petition for Better Evening Service

Commuters from Lafayette, Orinda, Walnut Creek using the Greyhound Lines to and from San Francisco are up in arms — in a polite way — over allegedly poor service in the evening from their flag stop at Second and Folsom Streets.

Commuters are signing petitions prepared by F. W. Brigham of Walnut Creek to be submitted to F. W. Ackerman, president of the Pacific Greyhound Lines.

The petition in effect asks that more buses be scheduled from San Francisco to Central Contra Costa points during the after-business hour rush. The petition is documented by a survey taken daily from April 6 to April 23 showing the number of passengers waiting in line at the corner of Second and Folsom streets after departure of certain buses.

FOR EXAMPLE . . .

For example, the data lists April 12 as one of the worst days, when 50 commuters remained in line after the bus departure at 5:04 p.m. Forty-two were in line after the 5:06 bus departed and 31 were still there after the 5:13.

According to the compiled data, the number waiting in line after a bus departure varied from 5 to 65.

UNHAPPY WAIT

The petition states, "While these data show the number of passengers waiting in line during the departure of certain buses, it does not indicate the average minutes of waiting per passenger. However, the psychological effect of having one, two or more buses load and leave without taking those who happen to be toward the rear of the waiting line, is the disturbing element causing the sharpest criticism."

The petition pointed out that the constant influx of population into Contra Costa County is, and will continue to be, so phenomenal that "it behooves the Pacific Greyhound Line to give unusual consideration to this locality which is afflicted with so many growing pains."

"With the hope that this may result in immediate improvement in the service, and in anticipation that it will, we should like to now express our appreciation for your past and future efforts to make the daily traveling grind less trying," the petition stated.

Five Lions Go to Hoberg Conclave

Traveling to Hobergs this weekend for the annual Lions Club conclave are five members of the Orinda Lions Club. They will serve as the official club delegation and will be accompanied by their wives.

Those attending are Messrs. and Mesdames Dick Graffis, Walt Friberg, George Hartzell Sr., Al Eberlin and Hayden Bridwell Sr.

Paul Vashell has been at Hobergs for the past few days as publicity chairman for this district.

GARDEN PARTY

The Orinda Guild members and friends are looking forward to their annual June garden party to be held this year in the lovely George Neldam home and garden at 304 La Espiral on Wednesday, June 9 at 12:30. There will be a delicious luncheon followed by a program all will enjoy.

Oak Springs Home Association to Meet at Little's

The Oak Springs Home Association will meet Monday at 8, at the home of Mr. and Mrs. Austin Little on Underhill Road. Mr. and Mrs. Little will serve to their guests and fellow members homemade pie and coffee.

The purpose of the meeting will be to start to plan for the conditioning of the Oak Springs Pool in preparation for its opening. The Association intends to sand-blast, paint and fill the pool plus the repairs in order, to insure an early opening date.

Chief Cautions About Burning

Fire Chief E. W. Wyatt is cautioning all residents to obtain burning permits for the coming danger period. The new fire permit is necessary for every type of burning in the Orinda Fire District.

The new fire laws of that area have been revised somewhat in the last year. Some of the additions are: no burning allowed after 12 noon, the Fire Department must inspect the burning site before issue of the permit, and the department must be notified before any burning is done.

The Chief announced that permits will be issued for any period or length of time, so as to allow the construction companies or other transients to burn refuse. At any rate the permits are essential for burning and anyone not conforming is subject to fine.

Sewer Trunk Going in -- but There's More To It Than That

When the main trunk sewers are constructed in this area, for which all residents will be assessed, we will be one step closer to having a sewer system. It is, of course, the most important step.

But to these major trunks must be constructed a network of collecting sewer lines from all the different areas where there are homes and other establishments.

To finance these lateral sewers, local assessment districts will be established. And that means additional assessments over and above the taxes for the trunk lines.

The third and final step is connecting your home to hte adjoining lateral sewers. This installation will be under your supervision and at your expense.

Because much misinformation has been disseminated on this most important project, the Sun requested detailed information from the Board of Directors of the Central Contra Costa Sanitary District.

The Board prepared a series of three articles, the first is printed today.

The Central Contra Costa Sanitary District is a political subdivision of the State of California, formed in 1946 under the Sanitary District Act by an election held for that purpose.

General obligation bonds were authorized in June, 1947, to finance the construction of a Sewage Treatment Plant and Main Trunk Sewers to make service available to the various areas in the District..

WHAT AREA INCLUDES

The Sanitary District includes approximately 30,000 acres in the Pacheco, Pleasant Hill, Walnut Creek, Lafayette, Orinda and Moraga School Districts; plus small areas of the Oak Grove and Briones School Districts.

The Sewerage Treatment Plant and the Trunk Sewers are now under construction. The Trunk Sewers will extend to the limits of the Sanitary District and to the centers of all the various drainage areas, such as Orinda, Moraga, etc., by passing through Pleasant Hill, Walnut Creek and Lafayette.

Service to individual homes and other establishments will be provided by collecting sewer systems (lateral sewers) connecting such establishments to the main trunk sewers through these lateral sewers.

INSTALLING THE SYSTEMS

Local collecting sewer systems will be installed under Local Improvement Act Proceedings with the cost of such sewers to be paid for by assessment against the properties served and benefitted in proportion to the benefit to each lot or parcel of land served.

The Sanitary District only has jurisdiction over sewer work, drainage, and garbage disposal, therefore the following will be confined to the immediate problem of sewers and their installation under improvement proceedings.

What is a Local Improvement District?

Such a district includes the properties affected and benefitted by an improvement (such as the installation of lateral sewers) installed under Improvement Proceedings.

How are Improvement Proceedings for the installation of sanitary sewers started and carried forward?

In the following steps:

a. By a finding of the cognizant Health Officer that unsanitary conditions exist in any given and described area with recommendation to the Sanitary Board that Improvement proceedings be undertaken to install sanitary sewers in the described area.

b. Resolution of the Sanitary Board confirming findings of the Health Officer.

c. Resolution of the Sanitary Board directing the District Engineer to prepare maps, diagrams, plans and specifications with estimates of costs to install sanitary sewers in the area described.

d. Resolution adopting official grade and datum for the work.

ADOPTING PLANS

e. Resolution adopting plans and specifications for the work.

f. Resolution of Intention to perform the work and make the improvement in the area described in (a) and (b) and setting a date for public hearing on the matter.

This resolution is the basic action in the improvement. It names all streets, alleys, roads, rights of way and easements in which the work is to be installed and describes the work in detail and gives full notice to affected property owners of the intent to make the improvement.

g. Publication and Posting of the NOTICE OF IMPROVEMENT describing the work and the area to be benefitted, and naming the time and place of public hearing.

PUBLIC HEARING

h. Public Hearing by the Sanitary Board. At this hearing the Board will consider all written protests against performing the work and may modify the amount of the work and/or alter the area shown in the Resolution of Intention.

i. Resolution Ordering the Work to Be Done. This resolution is adopted after the hearing and after the Board has considered all facts concerning the proposed work.

j. Advertisement for Bids for the construction and setting a date and place for receiving bids.

OPENING BIDS

k. Receipt and opening of Sealed Bids for the construction. The Board will then review the bids, compare them with the Engineer's estimate of cost and, if everything is in order, award the construction contract to the lowest responsible bidder.

The foregoing indicates the basic steps in carrying a local improvement up to the point of contrarting for the construction of the work.

A Local Improvement District is not a political subdivision, such as a City or Sanitary District, but simply the properties affected and benefitted by public works installed under Improvement Proceedings which properties will be assessed for the cost of the improvement.

Further news articles will cover the conduct and supervision of construction of the works (lateral sewers) and the assessment of the costs of the improvements.

ORINDA SUN

Phones: Orinda 2118 Lafayette 4452

Entered as second-class matter June 17, 1943, at the post office at Lafayette, California, under the Act of March 3, 1879. Printed at 1 Moraga Road, Lafayette.

Now Is the Hour

By REV. FRED MORROW
Orinda Community Church

We who complain about high prices get plenty of fuel for the fires of our indignation when we go in to buy new clothes. But we CAN buy. The clothing is there and our dollar is still worth 60c.

In the war-sick countries of Europe and Asia inflation has reached terrifying heights and even if a man has a good income, scarcity still rules and all but the very rich are by necessity ill-clad.

CHECK YOUR CLOSETS AND DRAWERS

Americans are fortunate that their natural kindness can express itself in so simple a fashion as merely to go through their used and discarded or outgrown clothing to give away.

Clothing collected is gathered in the warehouses of Church World Service, to be shipped by the shortest and quickest routes to countries most in need, and to be distributed by established American agencies without regard to race, language or religion.

Many Orinda and Lafayette people are in direct contact with families abroad and are sending needed articles to them. Some of the letters received locally reflect not only the natural pathos of desperate need, but a fine courage and inexpressible gratitude.

THE TIME IS NOW . . .

Now is the time, as our government attempts to bolster up the broad economic structure of our neighbor nations, for individuals to act in more direct and personal ways to re-establish morale, to give assurance of friendship, and to share for our own souls' sake.

This we can do with full assurance of effective results through Church World Service. Clean, mended clothing and sensible shoes, blankets, comforters, children's outgrown shirts, jeans, sweaters and dresses.

In Orinda, take them to the church or firehouse or to Mrs. Frank Hight, 46 Camino Sobrante, Orinda Chairman.

In Lafayette, a door-to-door collection will be made, along with the fund drive for the United Nations Appeal for Children. Or clothing may be deposited at the tent warehouse on the lot next to Olivers on Mt. Diablo Boulevard.

Captain Sandford Sez:

The shortage of homes in this area for rent, and for sale, is not nearly as great as it was. If, and when, this nation quits fooling and gets to work, a very few years will overtake certain prevailing shortages; e.g. automobiles, homes and other necessities. Real activity will commence, I believe, after the election.

I took a fancy to this area many years ago after driving through the old tunnel from rain in Alameda County to sunshine in Contra Costa; and each day during almost 18 years my appreciation has increased. One of the few flies in the ointment is still the appalling danger of the highway.

Unfortunately the aeroplane rendezvous at Buchanan Field did not bring as many planes as was anticipated, possibly because of the uncertainty of the weather. Only about 200 of an anticipated 1500 planes arrived.

I visited Martinez on Monday and appeared before the Supervisors in order to secure their reactions to certain future plans pertaining to the development of our State Highway. They were, as I have always found them, alert, capable and co-operative.

It's about time to put aside the "red flannel underwear" for another year, I think, don't you? Good bye now.

WOMEN'S GUILD

The Orinda Community Church Women's Guild met Tuesday at the home of Mrs. Howard Fisher on Orinda Highway. The devotions were led by Mrs. Fay Tarlock. The speaker was John Charles Mickle fr., pastor of the South Berkeley Community Church. The co-hostesses were Mrs. E. W. Miller, Mrs. Victor J. Westerfield, and Mrs. R. E. Schreiber.

School Swimmers Trounce Diablo And Alhambra

Don swimmers definitely put the stamp of champions on themselves Wednesday when they came through to defeat the Alhambra Bulldogs and the Red Devils of Diablo by a wide margin.

Final scoring showed the Don varsity with 51 digits, Diablo with 21 and Alhambra a lonely 3.

The Blue and White Bees totaled 44, Diablo 19 and Alhambra also ran without a point.

Times were consistently good with Acalanes copping every first. Jim Sowers set a mark of 1:30.2 for the Bee 100 yard breast stroke which is better than the county record.

Jerry Blalock of the Bees stopped the clocks at 35.2 in the 50 yard back stroke which also betters the county record.

Neil East, Tom Gentry, Jim Selby, Marshall Freeman, Phil Chapman and Jim Reynolds all ended up in top spots in their respective events.

Diving was out when the board showed signs of weakening.

Agnes Dikkers Weds April 26

In a simple ceremony held at the First Congregational Church in Oakland April 26th, Agnes G. Dikkers, daughter of Mr. and Mrs. Samuel Alexander, and sister of Mrs. John Hassay of Hough Ave., was united in marriage to Mr. F. Beauchamp of Corning, California.

Following the ceremony, a wedding dinner was given in honor of the bridal couple at the home of the bride's sister, Mrs. E. C. Haynes, in Oakland. Guests present at the wedding dinner were Mr. and Mrs. John Hassay and son of Lafayette, Mr. and Mrs. W. L. Alexander and family, Mr. and Mrs. Fred Glauber and family of Richmond, Misses Betty and Verna Mae Haynes, and Master Tommy Dikkers, son of the bride.

Medical Society To Study Plans

The Contra Costa Medical Society will appoint doctors representing all Contra Costa communities to study the alternative plans submitted to the board of supervisors by the Hamilton hospital committee, it was decided at the society's meeting in Richmond Monday.

Appointments will be made by Dr. H. D. Neufeld of Concord, president of the medical society, and Dr. Melvin C. Bolender of Walnut Creek, secretary.

At the recent meeting, Dr. L. H. Fraser, member of the supervisor's special construction program committee, outlined the proposals in detail.

TRAVEL SOUTH

Mr. and Mrs. Earl Jones of Orinda left this last week on a short trip down south. The Jones' plan to visit Death Valley and to play a little golf.

GOLF TOURNEY

The Oakland Downtown Merchants held an informal golf tourney and dinner Tuesday at the Orinda Country Club. About 80 merchants were present for this one day tournament.

HOUSEGUESTS

Mrs. Tom Lynn of Woodland Road has entertained a houseful of guests this past week. They are her sister and brother-in-law, Mr. and Mrs. Frank Schong and baby daughter, Mary Louise, from Los Angeles, and her cousin, Mrs. Fay Kelsey of Carthage, New York.

LEGAL NOTICE

BEFORE THE HONORABLE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

In the Matter of the Annexation of Additional Territory to the Orinda County Fire Protection District of the County of Contra Costa.

NOTICE

NOTICE IS HEREBY GIVEN that a petition has been filed with the Board of Supervisors of the County of Contra Costa, State of California, praying for the annexation of the territory hereinafter described to the Orinda County Fire Protection District of the County of Contra Costa, State of California, and this Board of Supervisors has determined that said territory should be annexed to said District.

NOTICE IS HEREBY FURTHER GIVEN that the hearing upon said petition has been set for Monday, the 17th day of May, 1948, at ten o'clock A.M., in the Chambers of this Board in the Hall of Records in the City of Martinez, County of Contra Costa, State of California, at which time and place anyone objecting to the inclusion of his lands within said District may appear and be heard.

The territory proposed to be annexed to said Orinda County Fire Protection District of Contra Costa County, State of California, lies adjacent to said District, and is more particularly described as follows, to-wit:

That certain tract of land lying and being in the County of Contra Costa, State of California, and particularly described as follows, to-wit:

Commencing at the southwest corner of Tract No. 2 of the Rancho Boca de la Canada del Pinole, as said tract or subdivision is numberd and described in a Decree of Final Partition of said Rancho, entered November 26, 1872, in the 15th Judicial District Court and recorded in Vol. 4 of Judgments at page 110, in the office of the County Recorder of Contra Costa County, California. Said Southwest corner of Tract No. 2 is also designated as Post "ESMV" on that certain map entitled, "Map of the Rancho El Sobrante, accompanying and forming a part of the Final Report of the Referees in Partition of said Rancho El Sobrante, dated July 10th, 1909" and which map is of record, as a part of said report, in the office of the Recorder of Contra Costa County, California, and which said post "ESMV" is, on the ground, a 6" x 6" granite post; thence, from the above described point of commencement, northerly along the westerly line of said Tract No. 2, which line is also the easterly line of said Rancho El Sobrante, N. 0 degrees 09' 30" E. 2718.46 feet to a 6" x 6" granite post on top of a ridge, the bearing of said easterly line being taken as North 0 degrees 09' 30" East for the purpose of this description; thence N. 83 degrees 49' 00" E. 1852.22 feet to a 1" iron pipe on top of a peak; thence N. 20 degrees 50' 20" E. 1645.98 feet to a 1" iron pipe on top of a peak; thence S. 56 degrees 13' 40" E. 777.06 feet to 1" iron pipe on a peak; thence S. 78 degrees 20' 42" E. 3223.55 feet to a 1" iron pipe in a saddle between two peaks; thence South 3374.80 feet to a 1" iron pipe on the southerly line of the aforementioned Tract No. 2 on the Rancho Boca de la Canada del Pinole; thence westerly along said southerly line which line is also the northerly line of said Rancho El Sobrante, N. 89 degrees 59' W. 6237.50 feet to the point of commencement.

Dated this 19th day of April, 1948.

W. T. PAASCH
Clerk of the Board of Supervisors of the County of Contra Costa, State of California.

Acalanes Trackmen, Swimmers and Baseball Team Have Busy Schedule

Play host to and possibly winning the all-county high school track meet at 1:30 p.m. tomorrow will highlight the coming week in the Acalanes Dons' sports saga.

Although competition has been so restricted by bad weather this season to show as strong an indication as in previous seasons, the Don cindermen stand an excellent chance of winning the county championship for the second consecutive time, Coach Charles Eaton predicted.

The Don Baseball nine, high in C.C.C.A.L. competition, have a three-game week ahead. League contests, scheduled for Thursdays, find the Dons next week playing John Swett in Crockett. On their own diamond the Acalanes outfit will play a practice game with Emeryville at 3:15 p.m. Tuesday.

What Coach Dave Stewart calculates as his swimmers' toughest meet of the season will come off next Wednesday at 3 p.m. against the formidable Palo Alto high squad in the latter's pool.

Don Nine Drops Game to Emeryville But Whips Alhambra in League Tilt

The Acalanes Don varsity baseball squad travelled to Emeryville last Tuesday only to drop a 14-4 decision. Sixteen players took part with four pitchers taking turns on the mound.

But Wednesday the Dons whipped Alhambra High 6-3.

Lack of practice took its toll as errors allowed the Emeryville lads to pile up 14 runs on 7 hits.

A complete reversal of form was shown when Alhambra came to town on Wednesday for a league encounter.

Dave Johnson, like the weather, was in rare form as he used a good assortment of stuff along with excellent control to win 6-3.

Dave set the opposition down with five hits while issuing but a single walk while his teammates hit nine safeties.

Johnson led the hitters with two for two accompanied by Lynn Amason, and Claude Bolender who also registered twice in the hit parade.

The win puts the Dons in the top spot along with Diablo as Antioch dropped down a peg when Pittsburg took their measure 11-9.

Mrs. Powell Honored at Luncheon Bridge

Mrs. Kora Powell of Boyer Circle was guest of honor at a bridge luncheon held at the home of Mrs. J. R. Montgomery on Tres Robles Ave. last week.

The color scheme was in green and yellow, with a decorated cake and ice cream for dessert, and special gifts for Mrs. Powell.

The ladies present were Mrs. H. K. Nourse, Mrs. H. J. Ratherman of Oakland, Mrs Powell, and the hostess, Mrs. Montgomery.

Benefit Party To Be Sponsored By Hospital Club

Walnut Creek's lovely Art and Garden Center will be the setting for Children's Hospital of the East Bay benefit parties to be given next Wednesday and Thursday.

First of the duo of events is that to be hosted by the Hawthorne Branch Wednesday. The affair will be a dessert bridge, with guests to be seated at small tables throughout the Center's garden. Reservations may be made by calling Mrs. E. C. Counter, at the Center.

Sycamore Branch of the Children's Hospital Association will take over the Center on May 15 for a bridge tea — another al fresco event. From both sides of the tunnel will come guests, expected to number several hundred.

FROM THE SIDELINES

By Coach Erwin Mattson

We had the good fortune to see two Acalanes grads in action on the baseball diamond recently and had the opportunity to see each shine and play an important part in their team's victory.

In a Saturday morning game we saw Don Ferrarese throw a near perfect game as he set the Cal frosh down with a single scratch hit and win 5-0.

In addition to hurling Don got a hit to run his average to 647 for 11 hits in 17 times at bat which is O.K. in any man's league.

SCORE REVERSED

In an afternoon game the results were reversed as far as schools were concerned with the Cal varsity defeating St. Mary's 3-2 in a 10-inning affair.

Another Don grad starred — but he was with the Blue and Gold as Lyle Palmer worked the opposition for three walks and hit two for three.

Lyle is the lead off man and is considered to be tops with his drag bunting and running ability along with a good eye at the plate.

His B.A. is close to if not over the 400 mark and without a doubt he will soon enter the pro ranks as he graduates this June.

Look for him to sign a major league contract!

THE BIG MEET

The County track meet is set for Acalanes High on Monday with the first race under way shortly after 1 o'clock.

Predictions on the outcome are difficult to make for a number of reasons.

First many events are inconsistent such as the pole vaul,t high jump and discus. A missed step or poor timing can throw a participant off to such an extent that an apparent "sure winner" can end up without a point.

AND THE SPRINTS

The same thing applies to the sprints where a poor start can change victory into defeat. The distance runs usually run more to form as a start is not of such great importance.

On top of the above difficulties the weather has resulted in the cancellation of practices and meets to such an extent that the coaches themselves have little idea of what their men can really do.

THE CRYSTAL BALL

In spite of these obstacles, we gaze into our crystal ball and come up with the following as far as varsity results are concerned.

Acalanes first with Pittsburg in the number two spot. It will be close between Alhambra and Diablo for the number three position but the nod goes to the Red Devils on the basis of depth if nothing else.

Antioch will come up in number five while John Swett of Crockett will be an also ran in sixth.

SCHOOL HARDBALL

Alhambra High made Contra Costa County's first official hardball debut under the lights when they played an after sundown game with John Swett of Antioch.

Unfavorable weather kept the crowd down but some 40 were on hand. The game was a good one and the lighting excellent.

Pittsburg plans an installation in the near future and it proably won't be long before others will be following suit.

Lights will mean increased attendance and in turn greater interest and consequently better playing which means greater crowds. It's a "nice circle" in contrast to the oft spoken of, vicious one!

HOW IT WORKS

Basketball Block A awards were recently given out at a student body assembly with 18 varsity and Bee players on the receiving end of the line.

To qualify for his letter a boy must have 100 points to his credit at the end of a seasons play.

A player receives 15 for making the squad and is alloted extra points on a basis of participation in games.

FOR PRACTICE GAMES

In basketball 48 points are alloted for all practice games. Thus if there are 10 such contests on the schedule a player gets 4.8 points for each game.

League contests rate 100 points and on a basis of 10 games the player receives 10 points for each one he plays in. Thus it is possible to have a total of 163 on a single season's play if he plays in every game.

In event that a boy falls short of the required number (100) he carries his points over to the next season.

Varsity teams receive eight inch Blocks while Bee teams have a six inch emblem. In event of a championship, such as Bee basketball this season, an eight inch Block is given.

In addition all championship teams are given a star.

May there be many of them!

PLANT SALE

Plans are now completed for the annual Invitational Plant Sale of the Diablo Womens Garden Club to be held in the garden of Mrs. Reginald Biggs in Walnut Creek on May 12, according to Mrs. Arthur Wagstaff. A wide selection of plants and shrubs will be on sale. Members and their guests will bring box lunches and coffee will be served by Mrs. E. G. Timme and her committee.

TO THE CIRCUS

Mr. and Mrs. Douglas Kilbourn had a delightful day taking Tod and Libby to the circus in Oakland last Sunday.

Large Cast to Perform in Annual Acalanes Music and Song Festival

A large, talented cast of Acalanes high school students will sing and dance at their annual Music and Dance Festival to be presented May 14 in the school auditorium at 8:15 p.m. (See additional story in this edition.)

Under the direction of Millicent Hamburger, faculty dance director, the following cast will appear in dance numbers:

Marion Bayliss, Janet Chantler, Sally Drewry, Margaret Drinkward, Charlotte Fante, Beverly Guillory, Avice Hatton, Sylvia Hawley, Christine Inman-Kane, Barbara Lusebrink, Katherine Lyser, Anne McAllister, Nancie Miller and Nancy Newbury.

Also Joane Parkell, Maurine Rucker, Marjorie Rugh, Nancy Schroll, Carol Simmons, Carol Strain, Sarah Symmons, Joan Woolsey, Marjorie Blankenship, Joyce Buckner, Yolly Chiavini, June Claiche, Ross Lu Daly, Ruth Duvander, Janet Field, Ellen Galbraith, Gerry Guillory, Sue Kilgo, Diana Ludlow, Yvonne Massone, Beverly Miller, Jackie Nardini, Pat Ross, Lynnette Van Deventer and Joan Work.

Boys' chorus, directed by Bruce Handley of the faculty and accompanied by Ted Lassagne, comprises the following:

Allen Baughman, Francis Brennan, Mike Biggs, Tony Biggs, Keith Duarte, Don Evans, Jim Forni, Warren Everson, Bliss Green, Tom Hageman, Glen Kindler, Jif King, John Kaluder, Harold Kouns, Clark McBride, Frank Phillips, Jerry Little, Warren Potter, Lester Ruf, Jim Spight, Carey Tittsworth, Rayfond Vechi, Dick Welch, Don Wolverton, Carlton Thomas and Lee Thofas.

Members of the girls' chours, directed by Oscar Busch, school music instructor, and accompanied by Gwen Ralph, are:

First Sopranos: Donna Atwood, Leah Barstow, Darlene Bates, Marie Buskirk, Bernice Cardot, Dale Cockerton, Lillian Cooper, Denise, Differding, Louise Dezzani, Neltje Eggen, Dorothy Ferguson, Sally Finzel, Janet Green, Joann Guldenzoph, Carol Hook, Elizabeth Jackson, Charlene Joos, Charlotte Krausnick, Barbara Machado, Vina Murillo, Dorothy Myers, Ginny Raines, Rose Marie Williams and Edith Rhoades.

Second Sopranos: Diana Bowersock, Marianne Burchfield, Janice Comstock, Ross Lee Daby, Nancy Dieterich, Connie Henderson, Marilyn Hoskins, Joyce Hunter, Pat Jacobsen, Betty Keefauver, Marilyn Kittredge, Diane Lemmon, Pat Lund, Yvonne Massone, Joan McCrum, Ruth Morris, Sherry Murphy, Jackie Nardini, Joella Silveria and Betty Thomas.

Altos: Marilyn Adler, Barbara Bush, Natalie France, Beverly Friberg, Peggy Gray, Gerry Guillory, Joan Lund, Lu Clare Lutz, Joan Potter, Maryalice Rowland, Marge Stow, Pat Terry, Juanita Valasquez, Anne Winters and Janet Woodmansee.

Senior Class Play Warmly Applauded

By HAROLD HARTZ

Barry La Rue, Acalanes senior, was acclaimed for his brilliant performance as Sheridan Whiteside in the high school senior play, "The Man Who Came for Dinner" last Friday night.

A packed Acalanes auditorium applauded warmly for Barry and the whole cast of graduating seniors.

Special mention must go to Jean Grimes who did an excellent job portraying the part of Whiteside's nurse.

Tom Van Voorhis and Carol Bargones, who played the part of the young lovers and Marie Inman-Kane as the secretary, all received hearty applause as they left the stage.

Visiting in the audience was another cast of "The Man Who Came to Dinner". They came from Berkeley High where they will present the play in a few weeks.

NAMED TO NEW POST

Stan McCaffrey will take over as executive manager of the University of California Alumni Association, it has been announced. He will replace Robert Sibley, who will retire in June 1949.

Dr Shrader Opens Offices Here

Dr. T. L. Shrader, chiropractor, this week opened offices in the Happy Valley Nursery Center in Lafayette to serve central Contra Costa County.

Dr. Shrader was formerly associated with the Shrader Clinic in Los Angeles. He completely renovated his offices here and has secured the newest equipment available. Dr. and Mrs. Shrader will soon move into new quarters on Orchard Road.

Do you have a news item? Send or call: Orinda, Box 147 or phone Orinda 2118. Lafayette, P.O. Box 806 or Lafayette 4452.

Boys Forced to Play Hookey at Acalanes High

All "male students" attending Acalanes were not only let out of school but were really "thrown out" on Thursday. It all happened right after lunch when it was announced that all boys were to leave the grounds right away.

The reason had to be good and it was.

The girls were playing host to the annual Mothers Tea.

Oscar Busch was one of the males allowed to stay on the grounds to lead the Girls' Chorus in a few songs after a fashion show was presented. Then modern dance numbers were put on by Miss Millicent Hamburger's dance classes.

ART HANDY RETURNS

Art Handy, son of Mr. and Mrs. B. H. Handy of Pleasant Hill Road, returned last Friday from a trip to New York City. He has been gone a month.

Orinda Cub Softball Team Trounces Lafayette Squad Last Saturday

Defeating the Lafayette Cub pack 16-3, the Orinda Cub scouts won their second district league softball game last Saturday at the Lafayette Grammar School grounds.

Conley, the Orinda pitcher allowed only 2 hits, both to the same man, Bridges, the Lafayette center fielder.

Ed Neighbor, first baseman for Orinda, established some sort of a record when the bunted all five times at bat and got on four times and scored three runs.

Orinda Cubs play the Ignacio Valley pack at the Orinda Grammar School this Saturday at 10 a.m.

Lafayette Cubs will battle the Walnut Creek outfit Saturday morning at 10 at the Lafayette Grammar School.

Your Garden IN LAFAYETTE AND ORINDA

BY CONSTANCE HANSEN

Another Spring Flower Show is past, leaving thousands of spectators richer in memories of the beauty they have seen and ideas they have gathered for use in their home gardens. I believe however, that the ones who gained the most from the Oakland Spring Garden Show were those who participated in it, no matter on how small a scale.

Until you try to do something yourself many of the details go unnoticed in the general effect of the finished product, which if noticed would give added enjoyment.

I'm thinking particularly of the labels, containers and backgrounds for some of the exhibits, all of which took some planning and work beforehand, but whose main contribution to the effect of the whole show was their unobtrusiveness.

To those working on the show grounds in the weeks before the big opening day, the atmosphere was quite different from that of one's ordinary surroundings, something apart, like the feeling you have on a long ocean voyage, of being in a separate world. where different matters are important .

THE BEST

No effort was spared in trying to make each exhibit the best of its kind. Garden club members spent hours searching far and wide for plants which would bloom in time for the show, and experienced nurserymen spent hours moving things in and out of greenhouses or cold storage, to hold them back or force them for the show as the case might be. There is a friendly feeling between the workers on a show, apparent to the most casual exhibitor, as all are working toward the same goal .

This year our notebooks played us false, since the season was unusually late, but the result was not entirely unfavorable, as we were able to use material which is usually past by the last week in April, and this made things a little different for those who have seen many of the previous shows.

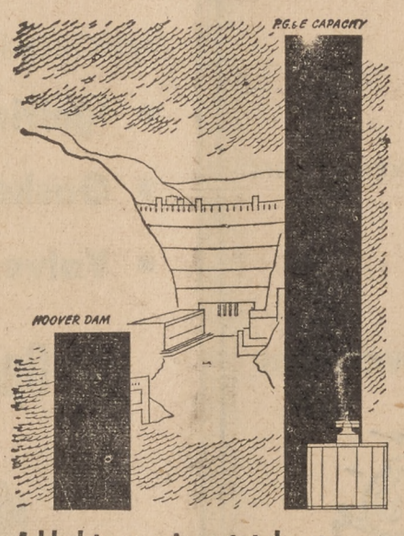
Quick picture of America's biggest power-building program

In three and a half short years... between now and the end of 1951... P. G. and E. will add nearly two million horsepower in generating capacity. To help you understand how big this program really is, here are some comparisons.

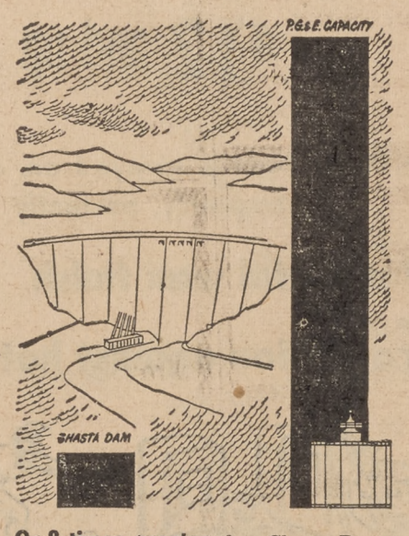
More power than was needed to meet all the pre-war requirements of Northern and Central California will be added.

The program is creating jobs for thousands of men. The estimated peak work force will exceed 6,000.

It's the biggest program of any electrical utility in America today, costing more than $400,000,000. It is now proceeding at more than $10,000,000 a month.



Added to previous totals, the new power will give P. G. and E. a generating capacity about three times that of Hoover Dam.



Or 8 times greater than Shasta Dam. This program, now in its third year, is going full speed ahead!

New Plant Schedule

It takes time to build power plants...more than three years to build a steam generating plant. Like everyone, we were delayed by wartime restrictions and postwar building problems. Some of the orders for equipment have been held up many months. But, we're making steady progress now. Here's a schedule of major new plants and completion dates, which will be met unless there are further unforeseen delays.

PLANT	CAPACITY	COMPLETION DATE
Kern Steam—First Unit	101,000 horsepower	Spring 1948
Electra Hydro	133,000 "	Summer 1948
Station "P" Steam	298,000 "	Winter 1948
West Point Hydro	21,000 "	Winter 1948
Colgate Hydro	40,000 "	Summer 1949
Cresta Hydro	101,000 "	Winter 1949
Kern Steam—Second Unit	134,000 "	Spring 1950
Rock Creek Hydro	169,000 "	Summer 1950
One Steam Unit	150,000 "	Summer 1950
Five Steam Units	150,000 " each	Year 1951

Work never stops on our power-building program

James Lucas Jr., Bobette Neldam Were Married in Reno on April 24

Very surprised and happy parents this week here in Orinda were the George Neldams and the Jim Lucas' Sr. when Bobbette Neldam and Jim Lucas Jr. announced their elopement and marriage in Reno last week-end.

Sunday afternoon about 150 friends and relatives of the young couple were entertained at a reception at the beautiful Neldam home on 304 La Espiral honoring the bride and groom. Scores of beautiful gifts were received by the newlyweds.

Delicious refreshments were served the guests, after which a beautiful four layer cake tiered wedding cake was cut.

Mrs. Einer Hein and Clyde Bumgarner sang several solos for the guests' entertainment.

After a very happy afternoon amidst their many school friends and family, the young couple left for a ten day stay at Palm Springs. On their return they will make their temporary home at 721 Monte Vista.

Acalanes Music and Dance Festival To Be Presented Friday, May 14

Acalanes' annual Music and Dance Festival will be staged jointly by the boys' chorus, girls' chorus and girls' modern-dance corps at 8:15 p.m. Friday, May 14, in the school auditorium.

The dance troupe's program will feature: "Sabre Dance" by Khatchaturian; interpretation of such Negro spirituals as "Dry Bones", "Honor, Honor", and "Trampin' " and also a group of songs from the South African veldt including "Train to Kimberley", "Zulu Warrior", the "Liebeslieder" by Brahms; and "Scherze and March" by Prokeviev.

The newly formed boys' chorus, which made an instant hit at its initial public appearance last month, will sing "Beautiful Savior", a medieval Crusaders' hymn; "Old Man Noah", a sea chanty; "Dedication" by Franz; "Old MacDonald Had a Farm," an American folk song.

Selected by the girls' chorus are the following numbers: "Now Let All the Heavens Adore Thee" by Bach; "Let My People Go," a Negro spiritual; "Goin' Home" by Dvorak; "Panis Angelicus" by Cesar Franck.

Tickets, at 50 cents for adults and 25 cents for students and children may be purchased at the door on the night of the performance. In the interim, members of the cast will sell tickets.

Mrs. Brown Attends Republican Meeting

Mrs. G. Chester Brown attended the Republican Women's Club of Walnut Creek on April 29. She was the guest of the speaker, Ruth Comfort Mitchell Young.

Mrs. Luther Williamson, national committeewoman from California, introduced the speaker telling of her fame as a novelist and poet, and of her long loyalty and service to the Republican party. Ruth Comfort Mitchell is a witty speaker as well as a well informed one. She kept the 100 women present intensely interested. Her topic was, "We March Again."

On the reception committee for this luncheon were Miss Ada Ford Mrs. J. R. La Rieu, Mrs. Hans Sorensen, Mrs. Harold Harmon Mrs. Paul Diggie, Mrs. Dal Hollingsworth, and Mrs. Philip Bancroft.

Orinda Clipper To Take Off

The airstrip of the Henrys, Arthur and Ruth, is the take-off point for the May 14 flight of the Orinda Clipper with pilot Bill Mott at the controls for an arm-chair tour of Orinda garden possibilities.

It is something of interest to all members, and guests will be welcome. Be sure to let gunners Gertrude and John Ogden know if you're coming.

The co-hostesses will be Rev. and Mrs. Morrow, Mr. and Mrs. Forrest Honnold, and Mr. and Mrs. Ralph Potter.

Ann Hazen Entertains Friends From New York

Anne Hazen of Charles Hill Road is entertaining her two friends from New York City, Miss Mary and Miss Edith Lambkin, both associated with the Crowell Publishing Co. of New York.

Their months visit is being featured by attending musical and theater events in San Francisco, and by many short trips through our scenic countryside.

MISS HIGHT HOME

Marian Hight from Berkeley spent the past two weeks with her parents, Mr. and Mrs. Frank Hight.

Here and There in Orinda

VISIT LELANDS

Judge and Mrs. Alfred Budge, parents of Mrs. Robert A. Leland of 23 Trail, have been staying with the Lelands. They recently departed for a months stay in Los Angeles.

Mrs. John Dorr of 38 Oakwood Road had a very busy but fascinating week during the Flower Show working every day for two hours interviewing for Warner Bros. over KWBR the flower-loving patrons of the show. On May 19 she will be the commentator for the Orinda Nursery Mothers' Bridge and Fashion Show.

HAWAII VACATION

Mr. and Mrs. Kenneth L. Courtright returned on April 28 from a three week trip to Hawaii on the completely renovated Lurline. They flew over on Pan American Airlines. While there, the Courtrights stayed with Mrs. Courtright's brother who is a Lieutenant Colonel stationed in Hawaii.

AT MEETING

Mrs. R. M. Clendenin will be present at todays meeting of the Board of Directors of the Young People's Symphony Orchestra Association. The luncheon is in the Gold Room of Hotel Shattuck in Berkeley.

HOME FROM TRIP

Dick Graffis just returned from a business trip to New York and Boston. He was away for about three weeks.

DINNER DANCE

A diner dance at the Orinda Country Club climaxed the Spring Mayfair activities of the Junior Alliance of the Lincoln Home for Children last Friday evening. Preceding the event, members and their friends met at the club for cocktails.

CONGRATULATIONS

Mr. and Mrs. Harry Leighton of Irvine Drive are wearing an even broader smile since last Tuesday. Their granddaughter, Mrs. Allen Goss of Oakland, presented Josephine Anne, an eight pound baby girl at the Alameda Hospital.

GUEST FROM N. M.

Mrs. Anthony Tarlock is entertaining her sister from New Mexico.

TO WASHINGTON D. C.

Mr. Loren S. Mush is flying today to Washington, D. C. on a business trip as chief engineer for the Board of Fire Underwriters of the Pacific. He will be gone a week or ten days.

TO MEXICO

Jean Ward is making final preparations for her trip to Mexico. She leaves via American Airlines May 15 and will be gone about 10 days. She is traveling on business for the Worden Travel Agency and will visit the key tourist spots.

IN TEXAS

Howard Fisher is in Houston, Texas, this week attending the National Natural Gas Convention there.

SNOW TRIP

Dee and Frank Hight enjoyed thrill and chills last week-end on their snow trip to Long Barn.

BARDEN VISITORS

Mr. and Mrs. S. O. Barden of Balboa Island are visiting their son Lance Barden.

BIRTHDAY PARTY

George Cory, son of Mrs. Helen Cory, celebrated his birthday last Saturday with a gay party for his friends.
